Дополнительное вступительное испытание

2025 г.

Вариант 2

Задание 1. Прочитайте текст и раскройте скобки, употребляя глаголы, прилагательные, числительные, наречия и местоимения в нужной грамматической/словообразовательной форме. Где это необходимо, употребите в пропусках предлоги и артикли. Ответы напишите в "Листе ответа".

The Woman in Shades (темные очки)

It was a cool autumn afternoon in Manhattan. The woman turned off the faucet (кран) and looked at her face in the bathroom mirror. «I'm going to go to the movies this evening» she (1) _____ (think), and smiled. She was pleased with her (2) _____ (attract) appearance. Ten minutes later she took the lift to (3) _____ first floor and (4) _____ (leave) the building. The woman was very beautiful but her hair and clothes (5) _____ (hide) her beauty. She had (6) _____ long dark hair and she (7) _____ (wear) a long, black coat, a hat and pair of shades. She (8) _____ (not, want) anybody (9) _____ (recognize) her. Outside the building she stopped for a moment and looked (10) _____ all the noisy automobiles and trucks in the street. Next she watched the people (11) _____ (go) along the street. There were (12) _____ (such, so) many of (13) _____ (they). They (14) _____ (not, notice) her. «Is this a good idea?» she asked (15) _____ (she). Then she put her pocketbook under one arm and called a cab. «Of course, it is. I (16) _____ (not, be) there for ages.»

The journey to the movie theater (17) _____ (not, take) more than five minutes. In those five minutes the woman (18) _____ (understand) that she still (19) _____ (love) New York. Her apartment was cold in winter. Yes, there (20) _____ (be) a lot of crazy, dangerous people in the streets. Everything in the stores was expensive. There was garbage (мусор) everywhere. It was all true, but New York was her home. Nowhere else she (21) _____ (can) feel (22) _____ (well) than in New York. At the movie theatre there were only thirty or forty people in the audience. The woman sat in the back row and started (23) _____ (eat) a candy bar. Two minutes later the movie (24) _____ (begin). Then, and only then, she (25) _____ (take) off her shades.

It was (26) _____ good story. She remembered it (27) _____ (good). She even remembered some of the dialogue. And then, of course, there was the actor with the black hair. «He was my favorite,» she (28) _____ (think). «I really loved him in

the 30s». She (29) _____ (leave) quietly a few minutes before the end. Another cab? «No,» she decided (30) _____ (take) the subway. She hoped nobody (31) _____ (recognize) her.

At ten to eleven she was nearly home. She (32) _____ (feel) happy. «That was fun», she said to (33) _____ (she). The front door of her building was just three (34) _____ (foot) away. She (35) _____ (take) off her shades and looked up at the stars for a moment. It was only for a moment, but that was long enough. A man on the sidewalk stopped in surprise. She saw him (36) _____ (come) towards her. «Excuse me», he said, «but aren't you...?» «No!» the woman answered. Her voice was cold and hard. «No, I'm not!» Then she (37) _____ (put) on her shades again and walked (38) _____ (quick) into the apartment building.

Задание 2. Задайте вопросы к предложению и к подчёркнутым словам в предложении (№ 1 - общий, № 2 - альтернативный, № 3 - разделительный, № 4 — специальный вопрос).

Julia had to wear dark glasses (очки).

Задание 3. Переведите на английский язык.

1. Каникулы всегда лучше, если их проводишь у моря. Ты можешь поплавать, полежать на горячем песке, посмотреть достопримечательности. Я отдыхал на море уже три раза.
2. Часто школьная жизнь полна стрессов. Моей младшей сестре не нравится учиться в школе. У них в классе много учеников, но у нее мало друзей.
3. Я не понимаю, почему все сегодня плохо говорят о молодых людях. Многие телевизионные программы все время показывают плохих молодых людей. Это называется дискриминацией (discrimination).
4. На сколько лет Вы старше своего брата? Он учится в Вашей школе? Как вы проводите с ним свободное время?
5. В Википедии около 20 миллионов статей (articles). Они написаны на 280 языках. Если Вы не можете найти нужную статью, Вы можете написать ее сами и добавить (add) новую.
6. Это произошло до того, как мы туда приехали. Мы ничего не знали о трагедии (tragedy) в этом доме. Эта новость удивляет нас.
7. Когда он заболел? Три дня назад он почувствовал себя плохо. Все три дня я с ним.
8. Конференция (conference) закончилась. Никто не задавал никаких вопросов. Все поспешили покинуть зал (hall).
9. Мы поедем завтра за город, если будет дождь? – Да, мы должны туда поехать. Бабушка и дедушка будут нас ждать.
10. Мой дедушка не читает газеты вообще, а смотрит последние новости по телевизору или на компьютере. Я решил подарить ему смартфон. Он сможет быстро получать любую информацию о погоде, политической жизни, своем здоровье.

The Woman in Shades (темные очки)

It was a cool autumn afternoon in Manhattan. The woman turned off the faucet (кран) and looked at her face in the bathroom mirror. «I'm going to go to the movies this evening» she (1) **thought**, and smiled. She was pleased with her (2) **attractive** appearance. Ten minutes later she took the lift to (3) **the** first floor and (4) **left** the building. The woman was very beautiful but her hair and clothes (5) **hid** her beauty. She had (6) –long dark hair and she (7) **was wearing** a long, black coat, a hat and pair of shades. She (8) **didn't want** anybody (9) **to recognize** her. Outside the building she stopped for a moment and looked (10) **at** all the noisy automobiles and trucks in the street. Next she watched the people (11) **go/going** along the street. There were (12) **so** many of (13) **them**. They (14) **didn't notice** her. «Is this a good idea?» she asked (15) **herself**. Then she put her pocketbook under one arm and called a cab. «Of course, it is. I (16) **haven't been** there for ages.»

The journey to the movie theater (17) **didn't take** more than five minutes. In those five minutes the woman (18) **understood** that she still (19) **loved** New York. Her apartment was cold in winter. Yes, there (20) **were** a lot of crazy, dangerous people in the streets. Everything in the stores was expensive. There was garbage (мусор) everywhere. It was all true, but New York was her home. Nowhere else she (21) **could** feel (22) **better** than in New York. At the movie theatre there were only thirty or forty people in the audience. The woman sat in the back row and started (23) **eating / to eat** a candy bar. Two minutes later the movie (24) **began**. Then, and only then, she (25) **took** off her shades.

It was (26) **a** good story. She remembered it (27) **well**. She even remembered some of the dialogue. And then, of course, there was the actor with the black hair. «He was my favorite,» she (28) **thought**. «I really loved him in the 30s». She (29) **had left** quietly a few minutes before the end. Another cab? «No,» she decided (30) **to take** the subway. She hoped nobody (31) **would recognize** her.

At ten to eleven she was nearly home. She (32) **felt** happy. «That was fun», she said to (33) **herself**. The front door of her building was just three (34) **feet** away. She (35) **took** off her shades and looked up at the stars for a moment. It was only for a moment, but that was long enough. A man on the sidewalk stopped in surprise. She saw him (36) **coming** towards her. «Excuse me», he said, «but aren't

you...?» «No!» the woman answered. Her voice was cold and hard. «No, I'm not!» Then she (37) **put** on her shades again and walked (38) **quickly** into the apartment building.

Задание 2. Задайте вопросы к предложению и к подчёркнутым словам в предложении (№ 1 - общий, № 2 - альтернативный, № 3 - разделительный, № 4 — специальный вопрос).

Julia had to wear dark glasses (очки).

1. Did Julia have to wear dark glasses?
2. Did Julia have to wear dark glasses or spectacles?
3. Julia had to wear dark glasses, didn't she?
4. What did Julia have to wear?

Задание 3. Переведите на английский язык.

11. Каникулы всегда лучше, если их проводишь у моря. Ты можешь поплавать, полежать на горячем песке, посмотреть достопримечательности. Я отдыхал на море уже три раза.

The holidays are always better if you spend them at the seaside. You can swim, lie on the hot sand or go sightseeing. I have already had my holidays at the seaside three times.

12. Часто школьная жизнь полна стрессов. Моей младшей сестре не нравится учиться в школе. У них в классе много учеников, но у нее мало друзей.

The school life is often stressful. My younger sister doesn't like to go to school. There are many pupils in her classroom but she has few friends.

13. Я не понимаю, почему все сегодня плохо говорят о молодых людях. Многие телевизионные программы все время показывают плохих молодых людей. Это называется дискриминацией (discrimination). I don't understand why everyone speaks bad about young people today. A lot of TV channels are showing bad young people all the time. It is called discrimination.

14. На сколько лет Вы старше своего брата? Он учится в Вашей школе? Как вы проводите с ним свободное время?

How many years are you older than your brother? Does he go to the same school as you do? How do you spend your free time with him?

15. В Википедии около 20 миллионов статей (articles). Они написаны на 280 языках. Если Вы не можете найти нужную статью, Вы можете написать ее сами и добавить (add) новую.

There are more than 20 million articles in Wikipedia. They are written in 280 languages. If you can't find a necessary article you may write it yourself and add a new one.

16. Это произошло до того, как мы туда приехали. Мы ничего не знали о трагедии (tragedy) в этом доме. Эта новость удивляет нас.

It had happened before we came there. We didn't know anything about the tragedy of this house. This news surprises us. (We are surprised by this news.)

17. Когда он заболел? Три дня назад он почувствовал себя плохо. Все три дня я с ним.

When did he fall ill? He felt worse three days ago. I have been with him for all these three days running.

18. Конференция (conference) закончилась. Никто не задавал никаких вопросов. Все поспешили покинуть зал (hall).

The conference finished. No one put any questions. Everyone hurried to leave the hall.

19. Мы поедем завтра за город, если будет дождь? – Да, мы должны туда поехать. Бабушка и дедушка будут нас ждать.

Will we go to the country tomorrow if it rains? – Yes, we will. We must go there. Our grandma and grandpa will be waiting for us.

20. Мой дедушка не читает газеты вообще, а смотрит последние новости по телевизору или на компьютере. Я решил подарить ему смартфон. Он сможет быстро получать любую информацию о погоде, политической жизни, своем здоровье.

My grandpa doesn't read newspapers at all but he watches the recent news on TV or on the computer. I have decided to give him a smartphone. He will be able to get any information about weather, political life and his health.
