

Задание по аудированию

БИЛЕТ № 11

Ознакомьтесь с утверждениями, представленными в таблице.

По результатам прослушивания текста отметьте в соответствующей графе, какие утверждения являются правильными, какие – неправильными, а какие не упоминались в прослушанном тексте.

		True	False	Not stated
1	Louise was satisfied with both her work in the salon and her wages.			
2	After she became a stylist her position in the salon didn't change much.			
3	It took Louise a long time to start her own business.			
4	When Louise started her own business she began to earn more.			
5	Now she has as many customers as she had in the salon.			
6	Louise thought it unjust that all the profits from the salon went into the pocket of the owner.			
7	Now Louise works with more enthusiasm than before.			
8	When Louise goes to serve a customer she would like to have her own kitchen sink with her.			
9	Her customers make Louise feel like a psychiatrist.			
10	Louise' mother always knows the name and address of the customer Louise has gone to serve.
