

**Контрразведывательный факультет
института подготовки оперативного состава**

Английский язык

Дополнительное вступительное испытание

2022 г.

Вариант 3

Задание 1. Прочитайте текст и раскройте скобки, употребляя глаголы (в том числе модальные) в нужном времени и залоге, прилагательные, числительные, наречия и местоимения в нужной грамматической форме. Где это необходимо, употребите в пропусках предлоги и артикли.

*A Tragedy in the South Tower
(An Extract from the Book «False Impression»
by Jeffrey Archer)*

There was (1) _____ loud explosion (взрыв) and the building (2) _____ (begin) (3) _____ (shake) from side to side.

Anna (4) _____ (hurry) along the corridor at that time. The elevator doors opened and she (5) _____ (feel) the hot air (6) _____ (blow) in the face. The next moment she (7) _____ (lie) on the ground.

She (8) _____ (think) that the building (9) _____ (strike) by the lightning, but she quickly remembered that there wasn't a cloud (10) _____ the sky and it (11) _____ (not, rain) for a week. She (12) _____ (hear) people (13) _____ (cry) «Oh, my God» as glass, metal and office furniture (14) _____ (fly) past the windows in front of her.

It must be another bomb, was Anna's second idea. Everyone who had been in the building in 1993 retold stories of what had happened (15) _____ (16) _____ (they) on that cold February afternoon. A car filled with explosives (взрывчатые вещества) had been driven into the underground garage beneath the building. In 1993 six people (17) _____ (kill) and over a thousand injured (ранены). It (18) _____ (take) several hours for the fire brigade to evacuate the building. Since then, everyone who worked in the World Trade Center (19) _____ (take) part in regular fire drills. Anna tried (20) _____ (remember) what she (21) _____ (must) do in (22) _____ (so, such) an emergency (чрезвычайная ситуация). She recalled the clear instructions printed in red on the exit door on every floor: «In case of emergency (23) _____ (not, return) to your desk, exit by the nearest stairwell». But first Anna (24) _____ (must) find out if she (25) _____ (can) even stand up, because she knew that part of the ceiling (26) _____

(fall) down on her and the building still (27) _____ (shake). She was glad that her legs and arms (28) _____ (not, break). Anna stood up and went along the corridor. The people asked her questions to which she had no answers: «What just (29) _____ (happen)? When the fire brigade (30) _____ (come)? Shall we go up or (31) _____ ?» These were all questions for the security officer but she (32) _____ (not, can) see him (33) _____ (nowhere, anywhere, somewhere).

Some people around her were trying to contact the outside world on the cellphones but very (34) _____ (few, little) people managed to do it. From the telephone conversation Anna learnt that a plane (35) _____ (hit) the North Tower. Anna began (36) _____ (walk) down the stairs as quickly as possible. She was on the (37) _____ (eighty-three) floor. (to be continued)
