**3. Переведите предложения с русского языка на английский.**

1. Jack was 12 when his family moved to a big house in the country. Everything was fine except his neighbour who had lived / had been living in this street for 30 years already. His name was Mr Smith. He was always looking angry when Tom was cycling past him and his car on his bike!

2. – Where are the children’s clothes? I can’t find Denis’s new jeans! – They are in the wardrobe. Don’t shout. You are acting in a silly way and are asking for trouble.

3. – What a terrible rain we are having today! (How heavily it is raining!) By the time we get home we will be (will have got) wet through and through (wet to the skin). – Let’s hurry!

4. – When did Sveta leave? – She had left before you called. She had been waiting for you for a whole hour. – It’s a pity, I’m late! What nasty weather it is today (we are having today).

5. – Have you already written this test in English? – Yes, we did it yesterday. – How many sentences were there? – Not as/so many as before, but I (have) got a bad mark again.
